

## NORMAN MANLEY LAW SCHOOL

### Disability Verification Form Instructions

This form *should be completed by a medical or mental health care provider* licensed to make the diagnosis listed on the form who has a detailed understanding of how the reasonable arrangement (RA) applicant may be affected by their diagnosis at the NMLS. The following are examples of healthcare professionals authorised to complete this form (e.g., General Practitioner, psychiatrist, clinical psychologist, optometrist, speech-language pathologist).

Please note that there may be situations in which NMLS staff will need to contact the professional completing this form for clarification.

The RA applicant should take note of the following:

- a) All parts of the form must be completed as thoroughly as possible. Inadequate information, incomplete answers, and illegible handwriting will delay the review process by necessitating follow-up contact for clarification.
- b) The healthcare professionals should include documents that provide related information (e.g., psychoeducational assessments, neuropsychological test results, audiogram, verification of arrangements provided by another university or third-party entity, etc.).
- c) The above-mentioned documentation can be submitted in lieu of this form **if it is not outdated, comprehensively supports all the RAs requested and is verifiable.**
- d) The completed form and all supporting records will be kept on the employee's or student's official file. Medical files will be held securely and confidentially and destroyed in keeping with the NMLS and Records retention schedule.

**Please return the completed form in a sealed envelope marked confidential** and direct to the attention of the Registrar (in the case of students/prospective students) or the Human Resource Manager (in the case of employees). Do not hesitate to contact the Registrar or Human Resource Manager if you have any questions regarding this form.
